

May Is Better Hearing Month Open House Event

May 22nd - 26th, 2023

We invite you to join us for our May Is Better Hearing Month Open House. Stop by and experience the latest hearing technology completely for free — with features like rechargeability, smartphone connectivity, and advanced noise reduction.

As Our Guest, You Will Receive:

- **30-Day Risk-Free Trial of New Technology** Discover how great the latest hearing instruments really are!
- **Free Hearing Aid Remote** with the purchase of ReSound Hearing Instruments.

What To Expect From Your Visit:

- 1. Hearing Analysis** We will perform a visual examination of your ear canal, evaluate your current hearing abilities and determine the type of hearing loss you may have.
- 2. Lifestyle Discussion** We will ask you about the types of sound environments you frequent, which will help us understand the level of technology best suited for your lifestyle.
- 3. Hearing Aid Options** We will show you the hearing aids that are best suited for your hearing loss type and lifestyle.
- 4. Budget Discussion** We will discuss multiple options with you including financing options, as well as our **exclusive lease program**.

Nardelli Audiology is proud to be the largest private hearing care clinic in the area staffed by three highly educated Doctors of Audiology

The certified and licensed audiologists at Nardelli Audiology know that your hearing affects your individual quality of life. That's why we take time to listen to you and to carefully examine your ears with our state-of-the-art equipment.

Our professional services include:

- Comprehensive hearing evaluations by a certified and licensed audiologist
- Hearing aid evaluations
- Hearing Aid Fittings
- Hearing Aid Cleaning
- Custom Hearing Protection
- Service and repair for all brands of hearing aids

After a comprehensive evaluation, we take time to discuss the results with you, answer any questions and discuss next steps:

- If you do not need a hearing instrument, we will let you know.
- Should you require medical attention, we will make an appropriate referral.
- If a hearing instrument would improve your quality of life, we will recommend and offer appropriate choices that fit your individual lifestyle, budget and cosmetic concerns.

Our offices are designed and our staff is trained to provide our patients with information in a relaxed and comfortable atmosphere. Your hearing is precious. Our goal is to provide quality audiology and hearing aid services to help you hear better and live better.

We Look Forward to Meeting You!
